

Online Test No. 3

Mechanics test #3

- 1 After touching the ball, and making a lateral rotation adjustment, the snapper may not remove both hands from the ball.
- 2 Only A players are required to have their hand(s) on the ground prior to the snap.
- 3 A shift by any A player that simulates action at the snap is an encroachment violation.
- 4 If a false start causes B to encroach, only the false start will be penalized.
- 5 Only one A player can go in motion after all A players come to a set position.
- 6 After all A players come to a set position, any forward motion by one or more A players will be a false start.
- 7 If a snap infraction occurs during a down, Team B captain may choose the result of the play if a loss of yardage occurs.
- 8 Handing the ball forward has all the same requirements and limitations as a pass thrown forward.
